

This certificate is valid from:
11th November 2015

kamstrup

Course Certificate

We hereby certify that:

Tomáš Homola, PT měření, a.s.

has participated in an extensive training program, supervised by Kamstrup's service department and now has knowledge to repair and test the following products:

- MULTICAL® 401 heat meter
- MULTICAL® 402 heat meter
- MULTICAL® 601 heat meter
- MULTICAL® 602 heat meter
- ULTRAFLOW® 54 ultrasonic flow meter
- ULTRAFLOW® 65 ultrasonic flow meter

The training program comprises detailed instruction and practical exercises in operation and maintenance of these products.

Furthermore, this certificate of competence is, a confirmation of Kamstrup's fundamental policy of customer orientation – from product development through to service – committing every employee to quality and a will to take responsibility.

Asger Mikkonen, Service Engineer, Metering Service

Kamstrup is a world-leading supplier of energy and water metering solutions. For 70 years, we have delivered reliable, cost-effective ways to measure and manage energy and water consumption worldwide. By anticipating our customers' challenges, we enable them to run a better business and inspire smarter, more responsible solutions for the communities they serve. All products are produced with the highest certifications for environmental safety and quality in our automated production facilities in Denmark.

This certificate is valid from:

16th May 2018

kamstrup

Course Certificate
